Innovation doesn't happen by itself

OCTOBER 16 – 17, 2018

HOUSTON AREA SAFETY COUNCIL HEADQUARTERS &
NASA SPACE CENTER HOUSTON, PASADENA, TEXAS, USA

SPONSORSHIP OPPORTUNITIES

Boost your brand by being a sponsor!

This exciting new interactive event invites attendees to collaborate and network with industry colleagues from manufacturers, rental companies, contractors, service companies – managers, supervisors, manufacturers, salespersons, drivers, mechanics, operators – in problem-solving workshops on the first day and presentations on the next.

To reinforce the value of INNOVATION, the evening consists of a drinks reception where attendees can experience the inspiring history of the space shuttle program by entering the shuttle replica Independence, mounted on top of the historic and original NASA 905 shuttle carrier aircraft.

The evening continues with a buffet dinner in the Astronaut Gallery at Space Center Houston. Attendees can enjoy a southern comfort buffet dinner surrounded by one of the most comprehensive collections of space apparel in the world.
